## HIPLÖK Z LOK COMBO

### TO SET CODE

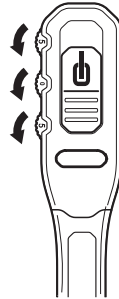

**NOTE:**  
Factory Setting  
Is: 0-0-0-0

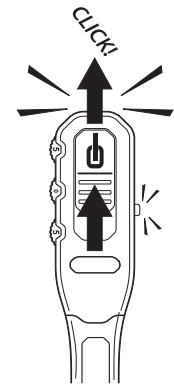

**1** Ensure lock is on unlock code or default if setting for the first time

**2** Press in the reset button using a pen or similar tool

**3** Adjust numbers to your personal code. *Ensure that dials are aligned correctly*

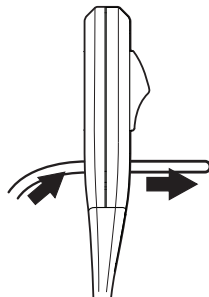

**4** Push release button fully and reset button has popped back out to ensure code is set

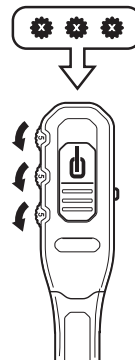

### TO LOCK

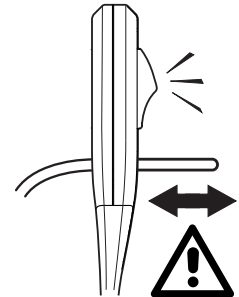

**1** Ensure lock is set to unlock code before step 2

**2** Push the end of the security tie through back of the product

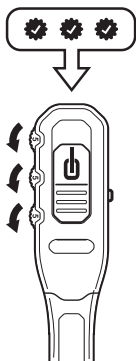

**3** To lock, adjust the code to be incorrect

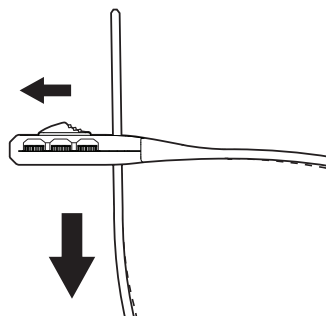

**4** Check that the product is locked by applying a push / pull action

### TO RELEASE

**1** Adjust dials to correct unlock code

**2** Push release button while pulling the tie out of the lock
